Durability

The polypropylene yarn is strong, durable and waterproof and therefore suitable for indoor and outdoor use. Knot has been tested by TNO and is suitable for both the private and contract market.

Maintenance

- As the rug waterproof, this rug is very easy to maintain by cleaning it with water.
- In order to prevent heavy use on one particular location, we recommend turning your rug around once in a while.
-

Note

- Rugs larger than 200 cm in the length or width: fringes always in the width.
- Rugs smaller than 200 cm in the length and width: fringes can be in the width or in the length.
- Please mention direction when a Knot is ordered.
